

St. Patrick's Cathedral Tour- Gold Pass

The most magnificent Cathedral in The Americas is celebrating its 160th Anniversary.

Cardinal Timothy Dolan, The Archbishop of New York narrates the tour with Monsignor Robert Ritchie. They share their inner thoughts on this globally recognized treasure of Catholicism. Regardless of religion, St. Patrick's Cathedral is a must see destination when visiting New York. This tour has been crafted to capture the essence of the church. It addresses the rich history of the past and the incredible art and architecture that makes it one of a kind.

- This tour comes with a souvenir lanyard and laminate celebrating the church and its anniversary.

Present your Pass at St. Patrick's "Will Call" desk in the gift shop located at 15 E 51 St to receive your laminate and lanyard and line skipping privileges

Top of the Rock® Observation Deck at Rockefeller Center

Take in a 360-degree panorama of the Big Apple from 850 feet (260m) in the air at the Top of the Rock. A flexible ticket lets you pick the perfect time to visit, see the city sparkle by night or enjoy the sun rising from new heights.

As you head inside 30 Rockefeller Center, take a moment to admire the stunning, shimmering Swarovski chandelier on your way to the mezzanine exhibits of Rockefeller Center's historic artifacts from its construction during the Great Depression. Then ride up 850 feet (260m) in less than 1 minute on the Sky Shuttle. Stroll between 2 floors with expansive indoor and outdoor viewing areas, then top off your visit by taking in breathtaking views of Central Park, Empire State Building, lower Manhattan and One World Trade Center from the completely open-air deck on the 70th-floor.

Enter on 50th Street between Fifth and Sixth Avenues where the red carpet marks the entrance. Present your Pass at the Box Office located on the concourse level for the next available timed-ticket, using the dedicated pass line.

One World Observatory

One World Observatory is the all-new attraction crowning One World Trade Center, the Western Hemisphere's tallest building.

Riding the Sky Pod elevator, you'll experience an immersive, floor-to-ceiling time-lapse story of NYC's 500-year evolution in less than 60 seconds. After the inspiring audio visual show in the SEE FOREVER THEATER™, you'll progress to the 360 degree main observation area on the 100th floor where on a clear day you can see for 50 miles beyond NY's iconic landmarks, bridges and waterways. Then step on the SKY PORTAL, a 14ft reinforced glass disk and see what's happening on the streets literally beneath your feet. One floor higher there's a cafe, bar and fine dining restaurant where you can enjoy a drink or a meal while looking down at a tiny Statue of Liberty.

- Stunning 360 degree views of NYC - Morning, noon, or night
- The observatory is located in the heart of downtown Manhattan for quick and easy access

Present your Pass at the Main Lobby visitor center to gain admission.

Grand Central Terminal Audio Tour

The Grand Central Terminal Tour is the OFFICIAL tour of the Grand Central. The one hour self guided audio tours take visitors across the many historic points. Included in the multilingual tour is the famous Whispering Gallery, the famous astronomic ceiling, the Biltmore room, the iconic information clock, and many other historical points. We're the perfect spot for that "something else to do" in NY problem that's just blocks from Times Square and the Theater District.

There is no time limit on this exciting 1 hour tour, so feel free to relax, have a coffee, or shop as you explore Grand Central at your own pace.

- Lightweight audio player similar to a cell phone
- Optional headset for CD quality sound
- Color map of Grand Central showing where the audio tour stops are located
- Tour is available in English, Spanish, Italian, German, French and Japanese.
- Verbal description version of the tour for the visually impaired
- Induction loops for visitors with hearing aid devices
- "Fun Facts" Booklet
- Discount coupons for some Grand Central's shops/ restaurants

Redemption is located at the Grand Central Terminal Tour window, 89 East 42nd Street NY, NY 10017.

Macy's Historical Tour

Every November, millions tune in to watch the greatest show in town on TV: Macy's Thanksgiving Parade.

"America's Largest Department Store" is one of the last still standing from the glory years of the early 20th century and has been designated a New York City Historical Landmark. This flagship store occupies a whole block, so there's plenty to take in as you are entertainingly guided around the store hearing historical highlights from the past 150 years. Can you recall all the films it's starred in?

Present your Pass at the Visitor Center, 151 West 34th Street (2nd Floor), New York, NY 10001.

Madison Square Garden Tour

As soon as you set foot in "The Garden", you'll sense just how special this venue it is.

For 130 years, it's presented New Yorkers with great shows, sporting events and even political conventions. As well as being home to the New York Rangers Hockey team and the New York Knicks and the New York Liberty basketball teams, it's a special place in the boxing world. Elton John has played it a record-breaking 64 times, including a concert in 1974 that was also John Lennon's last. You'll hear why Elton held his 60th Birthday Party here and why Billy Joel calls it the center of his universe. Led Zeppelin have recorded here... It's where Madonna has performed over 30 times and U2 25 times... The Police chose The Garden for their 'final' 2008 reunion tour show... The list goes on and on.

- Explore the Knicks and Rangers locker rooms, the iconic Arena bowl and the spectacular Chase Bridges
- Commemorate over 130 years of legendary Garden history
- Get VIP treatment with access to luxury suites

Present your Sightseeing Pass at the counter to receive your entrance pass.
